

Blessing

Let us go out giving thanks for the good earth

Blessed be God forever

Let us go out in unity with all who seek to preserve the earth

Blessed be God forever

Let us go out in the conviction that change is possible and climate disaster is not inevitable

Blessed be God forever

And the blessing of God the Creator, Christ the Redeemer and the Spirit, the Sustainer of all life
be with us, and with all the peoples of the earth, now and always.

Amen

And may the blessing of the God who empowers us,

the God who loves us,

and the God who sustains us,

go with us and remain with us

and with our fragile earth and all its people.
