

Blessing 1

Let us go out giving thanks for the good earth

Blessed be God forever

Let us go out in unity with all who seek to preserve the earth

Blessed be God forever

Let us go out in the conviction that change is possible and
climate disaster is not inevitable

Blessed be God forever

And the blessing of God the Creator, Christ the Redeemer
and the Spirit, the Sustainer of all life be with us, and with all
the peoples of the earth, now and always.

Amen
