

CONFERENCE

ECO CHURCH: BUILDING FOR THE FUTURE

March 2nd 2019

10am – 4pm

St Luke's Holloway
Hillmarton Road
London N7 9JE

A one day conference to explore why caring for God's earth matters, what we can do in our churches and how we can manage our buildings better. From light bulbs to solar panels, from worship to personal lifestyles, join in with workshops exploring what's been done in other churches and how much can be achieved even in older buildings.

Speakers include Caroline Pomeroy, Director of Climate Stewards, Rich Bee, Engagement Director, ARUK with worship led by Joel Payne of Resound Worship.
