*\* We are only able to provide Eco District free of charge to Districts thanks to the generosity of our supporters: people who share our conviction that the gospel really is good news for God's earth and so want to help us mobilise churches in England and Wales to care for creation in their local communities. Please help us continue making Eco District available to Districts free of charge by making a donation towards the costs of running the scheme. We suggest a donation in the range of £100-£200, but a donation of any amount is gratefully received.*
